Imran Food Products

Manufacturer of
Sugar Confectionery

Bringo®

Company Profile

Overview

Imran Food Products (IFP) was established in 2002 with the vision of providing high-quality confectionery products to consumers in Pakistan as well as in the global market. The company is committed to delivering quality products while continuously improving its manufacturing capabilities and meeting customer needs.

The company started its journey by producing high-quality sugar confectionery products under its flagship brand, **Bringo.**

Today, Imran Food Products holds a strong position in Pakistan's sugar confectionery market. Over the years, the company has expanded its portfolio to include a diverse range of popular confectionery products, including bubble gum, candies, chew bars, chew toffees, liquid paste, lollipops, and gift products for children. Through product development and a commitment to quality, IFP has grown into one of Pakistan's leading sugar confectionery manufacturers and continues to explore opportunities in international markets.

At Imran Food Products, product quality and safety are among our top priorities. Since its establishment, the company has focused on maintaining quality standards and improving its products and processes. To strengthen its position in global markets, IFP has achieved ISO 9001:2015 and Halal certifications. These certifications reflect the company's commitment to quality management, product safety, product integrity and the growing demand for Halal-certified products worldwide.

Vision

"To become a globally recognized confectionery company, delivering high-quality, innovative, and delicious confectionery that bring joy to children and families around the world."

Mission

"To manufacture and deliver high-quality confectionery products that delight consumers around the world. we are committed to food safety, consistent quality, and continuous innovation while building strong international partnerships and creating lasting value for our customers."
